O R D E R:

In the reference 1<sup>st</sup> read above, the Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad has stated that as per the Standing Committee, GHMC, Resolution No.37, dated 13.04.2007 the Expression of Interest (EOI) was called on 27.04.2007 from the eligible Energy Management Firms for the implementation of the Street Lighting Energy Efficiency and Automation Project in GHMC area. Accordingly, 16 firms have responded to the EOI. The Technical Expert Committee with the members of JNTU, ECIL and CPDCL short listed the firms based on their presentation of the technology and instructed to install the equipment for live demonstration. The Technical Expert Committee in its report has recommended the equipment demonstrated by M2M SSIL – GRC Consortium. On business talks, the 5<sup>th</sup> proposal offered by the consortium has been considered by the GHMC to be feasible and called for feasibility report evaluation for which M/s.Deloitte Touche Thomastu India Private Limited was the lowest but not awarded. Subsequently, EOI of M2M-SSIL-GRC Consortium has been cancelled by the GHMC authorities.

2. The M2M-SSIL-GRC Consortium in the reference 2<sup>nd</sup> read above has filed an appeal petition before the Government to consider their project proposal for the implementation of Street Lighting Energy Efficiency and Automation Project in GHMC area since the project helps not only for environmental balance and also for reduction of the carbon emission and saving the energy consumption besides generate the employment to unemployed young engineers in the State.

3. Government after verifying the cost of street light maintenance and power consumption, it is viewed that the implementation of centralized automation and energy saving solution is required for maintenance of street lighting and energy saving due to power shortage and in view of increasing demand and consumption of power day to day there by resulting proportionate revenue saving to the GHMC also and decided that the project will be taken up as pilot / guide in the State to save high value energy.

4. Government after careful examination of the matter and in supersession of the instructions issued in the reference 3<sup>rd</sup> read above, hereby permit the Commissioner, GHMC to implement the 5<sup>th</sup> proposal of M/s.M2M-SSIL-GRC Consortium on Street Lighting Energy Efficiency and Automation Project in entire GHMC area as pilot / guide in the State to save high value energy duly entering to an agreement with the firm and subject to obtaining Bank Guarantee equivalent to 3 (three) months (Street Lights saving amount) of electrical maintenance charges of GHMC from the said firm.

5. The Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad shall take necessary action in the matter accordingly.
